

IMPEL Water and Land project overview 2022 and beyond

Compliance promotion through expert team networking

Wednesday 26 January 2022, 10:00 - 12:20 CET

Outcome:

IMPEL Water and Land is running a number of projects in 2022 focused to foster environmental compliance in several fields, funded by the European Commission and by membership of 54 institutions in 36 EU countries. IMPEL Water and Land needs your help to reach the relevant experts collaborating in projects, and to collaborate in the preparation of IMPEL relevant documents.

10:00 **Welcome from IMPEL Chair, Ana Garcia (IGAMAOT, PT)**

10:05 Introduction of the Agenda - Marco Falconi (ISPRA, Italy), Marianthi Podimatha (EC - DG ENV)

10:10 **The new EU Soil strategy - Bavo Peeters (EC - DG ENV)**

10:30 Water and Land Remediation – Marco Falconi (ISPRA, IT)

10:35 Sustainable Landspreading – Barry Sheppard (Environment Agency, UK)

10:40 Management of Mining Waste – Monica Serra (ISPRA, IT)

10:45 National Peer Review Initiative – Giuseppe Sgorbati (Arpa Lombardia)

10:50 Discussion - Q&A session (moderated by Monica Crisan, National Guard, RO)

11:10 Coffee Break 10 min
