IMPEL Waste & TFS Webinars Programme

27 and 28 May 2020

“Waste and TFS in a digital world”

Webinar 1: Update on Partner Organisations

Wednesday, 27 May, 10:00 - 12:00 CET

Lead by:

Harald Junker, Umweltbundesamt (German Federal Environment Agency)

Description:

To strengthen international cooperation and alignment on transfrontier shipment of waste and waste management, IMPEL partners with important stakeholders in this field. In webinar 1, the two key players, the Basel Convention and the European Commission are giving a firsthand update on the current activities within their organisations.

Webinar 1: Agenda / timeline

5 min	Introduction + Webinar convention (Harald Junker, UBA)
25-30 min	Secretariat of the Basel, Stockholm and Rotterdam Convention (Tatiana Terekhova)
10 min	Q&A
30 min	European Commission DG Environment (Yorg Aerts)
10 min	Q&A
5 min	Closing

Webinar 2: Transfrontier Shipments of Waste

Thursday, 28 May, 10:00 - 12:00 CET

Lead by:

Stéphanie Meyer/Simonne Rufener, Federal Office of Environment, Switzerland

Description:

In Webinar 2, the participants will get an inside of the ongoing review of the Waste Shipment Regulation carried out by the European Commission. Participants will be asked their inputs specifically in the field of the enforcement. In the second part of the webinar IMPEL shows detailed approaches on waste shipment during Covid-19.

Webinar 2: Agenda / timeline

5 min	Introduction + Webinar convention (Stéphanie Meyer, FOEN)
15 min	Review of the Waste Shipment Regulation (Yorg Aerts, EU Commission)
